March 27th

Faculty workday, no school for all students.

ATLAS NEWSLETTER

MARCH 2020

Freshmen students had a wonderful trip to Emory University and the Carlos Museum located on the Emory campus. They had a chance to link both their World History and World Literature courses to the museum exhibits. This is truly a wonderful museum to visit. I encourage you to visit on your own. Attendees were given a complimentary pass to visit again.

Students will receive their tentative course schedules during homeroom advisement on March 11th. Please review your student's schedule carefully. Visit the following [link](#) for some tips on HOPE GPA eligible/rigor courses and the potential Dual Enrollment Bill. I am strongly encouraging 10th grade families to carefully select courses for next year in the event that students' dual enrollment options are limited due to the new bill's restrictions.

Sophomores will visit the Chick-fil-A headquarters and attend a backstage tour on March 9th. We are in need of 1-2 chaperones. Students, please wear your ATLAS shirt and bring money for lunch at the Dwarf House. Students need to arrange for a late pick up at 5:15 PM. If you are interested in chaperoning please email Mrs. Warner at Kate.Warner@hallco.org.
