

Parking Reminders -  
Students,

Spring sports season and warmer weather bring more people on campus on the daily basis. Please help us stay safe in the parking lots. A few things to keep in mind:

- The access road behind the baseball field should not be used by students before, during or after school.
- Students that park in the Brickyard Lot should only enter or exit the parking lot through the entrance at the fieldhouse guard shack.
- Students that park at the Track Lot or Baseball/Wrestling Lot should only enter/exit the parking lot through the greenhouse guard shack.
- Please exit your vehicle in a timely manner once you have arrived on campus.
- Even if you are only on campus for part of the day, you *must* park in your assigned parking lot. Please do not park in Handicap (without proper documentation), visitor, faculty spaces or the area around the flagpole at any time.
- The areas in red at the track have been a hot spot lately. We have buses on our campus throughout the day on a daily basis. The areas marked in red can prohibit buses from parking at the track or accessing other areas of campus.

Thank you all for your help in keeping our campus and each other safe!
